

Appln. Serial No. 10/008,837
Amendment Under 37 C.F.R. § 1.312

REMARKS

To improve the form of claim 8, the clause “, said means for producing comprising a light source” has been added to lines 3-4 of claim 8. Note that line 11 of claim 8 refers to “said light sources.” The added clause provides explicit antecedent support for the term “said light sources.” This amendment is made for the purpose of clarification and does not narrow the scope of the claim. No new search would be necessitated by this amendment.

The improvement in form was determined to be desirable upon recent final review of the claims by the undersigned.

No fee is due. The Commissioner is authorized to charge any additional fees and/or credit any overpayment to Deposit Account No. 08-2025 (10019544-1).

Respectfully submitted,
